

# Community Connections

## Community Counts!

The Anchorage School District is committed to engaging all community stakeholders. This is done in a variety of ways, including volunteerism, advisories, and participation in community-based events. It is important that we have opportunities to collaborate with organizations and people.

Please consider inviting us to your local event to share information about the District and its services via this short **form** ([https://nam12.safelinks.protection.outlook.com/?](https://nam12.safelinks.protection.outlook.com/?url=https%3A%2F%2Fdocs.google.com%2Fforms%2Fd%2Fe%2F1FAIpQLSe16tZxPI5QBiGTxH3djo6)
