

# Student Advisory Board

The Anchorage School District Student Advisory Board (SAB) exists to create unity between the middle and high schools throughout the district and allow for students to advocate for themselves and peers. SAB meets monthly at the ASD Education Center in the Board Room. Each high school may send four delegates, each middle school may send three delegates, and each 6-12 alternative school may send five delegates. Schools are strongly encouraged to send one student from each grade in their school.
