DESTINATION APS

Destination APS is our new strategic plan to make Aurora Public Schools a place where:

- Students are valued, seen, safe, and are thriving academically, socially and emotionally.
- Educators are valued, seen, safe and thriving. They want to stay in APS for their career.
- Students are proficient at all grade levels and graduate prepared for college and/or career.
- Parents and guardians are partners and engaged. Parents and guardians keep students here.
- Local partnerships are enhanced and sustained, providing greater opportunities for students.

- We recruit, hire and retain the most talented educators.

With Destination APS, we strive to be THE Destination District in Colorado!
