District Advisory Council (DAC)

The objectives and purpose of the DAC are to function as an advisory council to the school district in the operation of the Compensatory Education Program and to assure that parents are involved in accordance with the State and Federal regulations.

Desired Outcomes of the State Compensatory Education Program

1. All students have a fair, equal, and sufficient opportunity to:

- Obtain a high-quality education.
- Reach proficiency on challenging state academic content standards and state academic assessments.

2. The local educational agency (LEA) closes the achievement gap between:

- High- and low-performing students, especially between minority and non-minority students
- Disadvantaged students and their more advantaged peers
