Dear Berkeley Unified Community,

As we head into the winter break, we wanted to share some upcoming information and important dates with you.

The mission of Berkeley Unified School District is to enable and inspire our diverse student body to achieve academic excellence and make positive contributions to our world. A key aspect in achieving our mission and the development of our district Strategic Plan and Local Control Accountability Pla (LCAP) is the engagement of our Educational Partners – this means YOU!

Our Strategic Plan focus is critical in setting direction for our collective work to ensure that all of our students achieve academic excellence and graduate from BUSD schools ready to make positive contributions to our world. Over the course of the last two years, there have been many opportunities for us to hear from our Educational Partners – students, families, staff and community members. We want to ensure that we can continue the conversation as we develop a district Strategic Plan and a new three-year LCAP.

In January, we will be focusing on engaging our Educational Partners regarding the Strategic Plan and the 2024-2027 LCAP. We value your feedback and want to ensure we are reaching as many of you as possible.

There will be two in-person sessions and two virtual sessions. Each of these sessions will follow a similar format and we hope you can attend one of the sessions. These sessions will include:

- Look at data trends
- Give feedback on our current work and where we're seeing progress
- Share input and perspective on areas we can improve

Spanish translation will be provided at each meeting and childcare will be available at the in-person meetings.

Please see the dates and times for the Strategic and Local Control Accountability Plan Engagement Sessions in January.

A medida que nos acercamos al descanso de invierno, deseamos compartir con ustedes alguna información y fechas importantes.

La Misión de Berkeley Unified School District es capacitar e inspirar a nuestro diverso cuerpo estudiantil para alcanzar la excelencia académica y hacer contribuciones positivas a nuestro mundo. Un aspecto clave para lograr nuestra misión y el desarrollo de nuestro Plan Estratégico del distrito y el Plan Responsable de los Fondos Monetarios Locales (LCAP) es el compromiso de nuestros Socios Educativos – ¡esto significa USTED!

El enfoque de nuestro Plan Estratégico es crítico para establecer la dirección de nuestro trabajo colectivo para asegurar que todos nuestros estudiantes alcancen la excelencia académica y se gradúen de las escuelas en BUSD listos para hacer contribuciones positivas a nuestro mundo. A lo largo de los últimos años, ha habido muchas oportunidades de escuchar a nuestros Colaboradores Educativos: estudiantes, familias, personal y miembros de la comunidad. Deseamos asegurar que podemos continuar la conversación mientras desarrollamos un Plan Estratégico del distrito y un nuevo LCAP trier

En enero, nos estaremos enfocando en la participación de nuestros colaboradores educativos en relación con el Plan Estratégico y el LCAP 2024-2027. Valoramos sus comentarios y deseamos asegurarnos de que estamos llegando al mayor número de ustedes.

Habrán tres sesiones presenciales y una virtual. Cada una de estas sesiones seguirá un formato similar y esperamos que usted pueda asistir a una de ellas. Estas sesiones incluirán:

- Observar las tendencias de los datos de información
- Dar su opinión acerca de nuestro trabajo actual y acerca de los avances que estamos viendo
- Compartir opiniones y perspectivas acerca de los aspectos que podemos mejorar

Se proporcionará traducción al español en cada reunión y habrá servicio de cuidado para niños en las reuniones presenciales.

Por favor, consulte las fechas y horarios de las Sesiones de Participación en el Plan Estratégico y en el Plan Responsable del Control de los Fondos Monetarios Locales en enero.
