Student Support Services, which oversees BVSD's School Counseling Program, is responsible for developing curriculum and supports focused on academic success, career development and life skills. Additionally, we work to cultivate a district and school culture that celebrates diversity – where everyone, including ALL students, are welcome, safe, included and supported.

School Counselors (<https://bvsd.org/departments/student-support-services/counseling>)

Counselors in our schools not only support students academic success. They are also dedicated to helping to provide personal-social supports.
