ABOUT FACE

— Our Vision

To improve student achievement and strenghten family engagement at home, in school, and throughout the community through strong partnersips between families and schools. We envision families, educators, and community partners working together to support student learning, foster positive educational experiences, and contribute to the success of every student.

+ Our Mission

FACE connects families, schools, and communities by providing resources, learning opportunities, and engagement initiatives that strengthen family engagement in education and support student achievement.

+ Our Role

FACE is dedicated to supporting student achievement and strengthening family and community engagement across Broward County Schools. We foster meaningful partnerships among families, schools and communities by providing resources, learning opportunities, and support that encourage active family engagement in education. Through collaboration and communication, FACE helps create connected learning environments that support student growth and success.

ENGAGED FAMILIES, THRIVING STUDENTS, STRONG COMMUNITIES
