The Family Literacy Resources page helps families support children's reading growth at home though fun, easy-to-to use tools and activities.

Families can explore:

- Engaging learning activities that build reading skills and confidence.
- Simple at-home ideas to make reading a natural part of everyday life.
- Free book programs that help families create home libraries.
- Guidance and tips to support children's success and beyond.

Discover how reading together can strengthen learning, build connections, and inspire a lifelong love of books.
