CUSD's Journey to Excellence

Strategic planning is critical to the success of an organization as it sets the north star for all decisions made and actions taken. The following strategic plan goals have been established by Chandler Unified School District.

1 Learning Experiences

[Skip To Main Content](#)

"Unleashing true potential in EVERY student"

Chandler Unified School District students and staff engage in meaningful, innovative learning experiences using essential skills and strategies that foster continuous growth to develop successful members of local and global communities.

"Student success begins with the US in CUSD"

CUSD families and community partners engage in the shared responsibility of personalizing experiences that contribute to the students' personal, social, emotional, and academic growth.

"Modernize and maximize to be future-ready"

CUSD staff illustrate future focused, adaptable instructional and operational practices that are equitable, efficient, fiscally responsible and data driven to ensure high quality educational experiences.
