Bullying Prevention

BULLYING PREVENTION

Charlotte Mecklenburg Schools bullying prevention efforts encompass a range of strategies and initiatives aimed at creating safe and supportive environments within schools and communities. These efforts involve a combination of educational programs, policies, awareness campaigns, and community involvement.

Report Bullying

Empowering students and parents to report bullying is a critical step in creating a safe and inclusive environment. If you have any concerns or witness bullying, we encourage you to report it promptly. You can use the following link to submit your concerns:
