Aspen HS Graduation Waiv

Following the recent Aspen upgrade, th
one known issue:

- HS Graduation Waiver Miscalculations: The Graduation Summary page and related reports are miscalculating applied waivers. Please do not rely on waiver-adjusted graduation indicators for student scheduling until this is fixed. ITS will post updates here as soon as possible. Thank you for your patience.

We are also aware of an ongoing issue with the Aspen login page. A temporary fix has been rolled out that should allow all users to login. We apologize for the inconvenience and for any confusion.

We are continuing to investigate and will provide updates as soon as possible on these matters. If you remain unable to login, please call the ITS Service Desk (773-553-3925) for further assistance.
