MENU

Department of Social Science

The Department of Social Science fosters learning experiences that build the skills, knowledge, and habits necessary for students to effectively contribute to and participate in the social, political, and economic life of their communities and world.

Department of Social Science

SOCIALSCIENCE@CPS.EDU

About the Department

We partner with students, educators, and communities to build transformational schools that ignite curiosity, promote agency, and elevate active participation in our Democracy. The Department of Social Science oversees curriculum, training, resources, partnerships, and events that promote civic life across the district. Some examples include:

- K-12 Social Science Instruction
- Districtwide Civic Life Initiatives
