

Parent Ambassador Program

2026-27 Parent Ambassador Program

The Chula Vista Elementary School District's goal is to foster a sense of shared responsibility and accountability, supporting the home-school connection and ensuring high-quality learning experiences for all students (Goal 5 of the LCAP). As part of the district-wide initiative to increase family engagement, CVESD has a Parent Ambassador Program to strengthen partnerships among families, schools, and the district.

Parent Ambassador Responsibilities

- Attend quarterly meetings at the district office with fellow Parent Ambassadors to learn about district initiatives, programs, and resources, collaborate with other parent leaders, and share feedback with the district.
- Serve as a liaison between families and the school by sharing information from Parent Ambassador meetings and building strong relationships.
- Parent Ambassadors are required to submit quarterly outreach logs.
- Collaborate with school leaders and the Senior Parent Ambassador to increase family engagement at the school site by developing and working toward a S.M.A.R.T. goal for the 2026–27 school year.

Eligibility and Selection

To be considered for the Parent Ambassador Program, applicants must:

- Have a child currently enrolled in a CVESD school.
- Be available to attend all scheduled Parent Ambassador Meetings (one per quarter).
