Community Resource Guide

Child Welfare & Attendance

The Office of Child Welfare & Attendance with the East Baton Rouge Parish School System serves as an advocate for the children to ensure the success of students in school. To accomplish this, the Office of Child Welfare & Attendance will work closely with students, their parent/guardians and the school to facilitate enrollment and consistent attendance in the proper school setting.

The Office of Child Welfare & Attendance will conduct home visits to verify addresses of students so that they are enrolled in the proper school attendance zone. Parental contact will also be made when children have difficult in school and students fail to meet attendance requirements. Community agencies will be contacted as needed to provide families with the necessary resources and adjustments to overcome obstacles that prevent proper school attendance.

The Office of Child Welfare & Attendance is also committed to working closely with the Truancy Assessment and Service Center as well as Juvenile Services to take parents to Truancy Court if needed to encourage regular school attendance. Regular school attendance ensures the child will have the greatest opportunity for success.

Health Services

Health Services: Support Process

EBR SCHOOL NURSING PROGRAM

The Department of Health Services facilitates partnerships with local health care providers to support student health care and prevention throughout the district. Our department also works closely with internal and external health and behavioral health care providers to promote a healthy learning environment.

OPEN HEALTH SCHOOL-BASED CLINICS (OHCC)

On-site medical and behavioral health services are provided at various schools across Baton Rouge and nearby areas. Depending on the location, these clinics offer medical care—such as treatment for minor illnesses, sports physicals, immunizations, and ADHD screenings—alongside behavioral health support for stress management, test anxiety, and emotional wellness.

I CARE

Each school in the East Baton Rouge Parish School System has an assigned Social Worker or Mental Health Professional. Contact your child's school counselor for additional information. For additional inquiries, please call (225) 256-1281.

The East Baton Rouge Parish School System offers resource information for families seeking mental health assessments for students in grades three through twelve. These assessments are conducted by a licensed behavioral health provider in accordance with R.S. 17:173.1 (v. 12).

The ***I CARE*** Program is the alcohol, drug abuse, and violence prevention program for East Baton Rouge Parish School System. It provides prevention education to students in public, parochial, and participating private and charter schools in the areas of alcohol, tobacco, other drugs, violence, crisis response, and management. ***I CARE*** staff include 20 Licensed Prevention Professionals who are career educators with a five year minimum classroom teaching experience and a master's degree in education. Specific services include individual and group consultation, family consultation, support services, classroom education, staff and parent trainings, prevention campaign support, and a variety of other support services related to social-emotional learning.

Mental Health Services

All EBRPSS schools and offices are closed November 3, 2026 for Election Day.

The mission of the East Baton Rouge Parish School System's (EBRPSS) department of Mental Health Services is to facilitate student wellbeing through psychoeducation, empowerment, collaboration, counseling, and service. Our vision is to assist students and their families in building and maintaining healthy relationships with their schools and communities while recognizing and celebrating individual differences, accomplishments, and choices.

EXTERNAL BEHAVIORAL HEALTH PROVIDERS

External Behavioral Health Providers (EBHP) are outside agencies that provide individual counseling services for students at a parent/guardian's request. State law requires that these agencies provide the school district with specific documents prior to working with a student at a school site. All enrollment documentation must be submitted through the portal only (not via email) by the 15th of the month to be considered for the following month. Incorrect submissions will delay approval.

2026 - 2027 Enrollment Procedures

Please contact Konnika Williams, Assistant to the Director, for additional assistance.
