District Events Calendar

The event calendar lists upcoming district and school events that are open to the public or of interest to parents and the community.

All events are listed in calendar format on the left side and by date list on the right side. You may click on an event on the calendar which will cause the right side list to reveal the events on that specific date. Events on this calendar include Board of Education meetings, back-to-school nights, school events and awards nights. Parents will continue to be informed about events at their school through school newsletters and websites.
