Enrollment Information

The Elk Grove Unified School District (EGUSD) is recognized nationally for having top-quality teachers and staff, innovative programs, and safe, well-maintained schools. We offer an excellent academic program, up-to-date technology, civic values and ethics education at all grade levels. We have strong behavior standards and a wide variety of academic programs designed to meet every child's needs. Our programs include accelerated learning courses, advanced placement classes, college and career academies and pathways and early intervention programs.

If you are moving to the Elk Grove district, or have a child who will soon enter PreK, TK or Kindergarten, our enrollment section of the EGUSD website contains important information about enrolling your child for school. Please visit one of the resource links below.
