Student Support and Health Services

Student Support & Health Services administers a number of programs designed to assist students and families including: Health and Nursing Services, Psychological Services, Social Emotional Services and Student Records.

Our Mission

Elk Grove Unified School District will provide a learning community that challenges ALL students to realize their greatest potential.

Student Support and Health Services will support students, families, and staff by providing direct and indirect services, coordinated resources, and strategic interventions in order to enhance students' physical, mental, and emotional well being so they may realize their greatest potential.
