Community Input/Surveys

EGUSD administers a variety of surveys to students and families each year to obtain feedback, suggestions, and perspectives on our most important efforts. Below you can access copies of the survey forms that are distributed and view results as they are made publicly available.

2025-26 Perspective Surveys

EGUSD annually surveys students, parents, and staff on a wide variety of topics to gather input and feedback related to our schools. The survey questions are linked below. Please note that the PDFs include all possible questions, but respondents do not necessarily receive every question shown in order to keep the surveys to a reasonable length.
