Comprehensive Counseling Program

The mission of the FNSBSD Comprehensive School Counseling Program is to advocate and provide support for maximum student achievement in the areas of academic, career, and personal/social growth. School counselors work with parents, educators, and the community to provide developmentally appropriate and comprehensive services that meet the needs of all students in order for them to become productive members of an ever-changing global society.

FNSBSD Counseling Standards

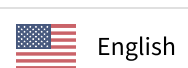

Student Mindsets and Behaviors

Currently, work is underway to bring our districts Comprehensive Counseling Program Handbook in line with the national framework. There have been some changes in standards over the last couple years, which included a move to student mindsets and behaviors that includes standards that can be achieved through any of the three domains (academic, career, personal/social - now social emotional).

We began work on this handbook last spring, and it is still underway. You can access the PDF of the [National Model's Student Mindset and Behaviors here. \(/fs/resource-manager/view/87c1a1ec-113f-4ae7-bbfe-508f0490baea\)](/fs/resource-manager/view/87c1a1ec-113f-4ae7-bbfe-508f0490baea).
