Teton Science School

Teton Science School is an environmental education center, and provides a variety of youth-oriented educational programs.

For more information, visit the [Teton Science School website](https://www.tetonscience.org/programs/?type=summer-camp) (<https://www.tetonscience.org/programs/?type=summer-camp>).

National Outdoor Leadership School (NOLS)

NOLS offers various outdoor expedition and summer courses/programs.

For more information, visit the [NOLS website](https://www.nols.edu/en/) (<https://www.nols.edu/en/>).

Outward Bound

This is an education program that provides adventures in the wilderness, urban settings, workrooms, and classrooms while inspiring students to care for the world around them.

Visit the Outward Bound website for [middle school](https://www.outwardbound.org/classic/middle-school-expeditions/) (<https://www.outwardbound.org/classic/middle-school-expeditions/>) and [high school](https://www.outwardbound.org/classic/high-school-expeditions/) (<https://www.outwardbound.org/classic/high-school-expeditions/>) programs.

Girl Ventures

These programs are designed to inspire girls to lead through outdoor adventure, inner discovery, and collective action.

For more information, visit the [Girl Ventures website](https://www.girlventures.org/) (<https://www.girlventures.org/>).

Girl Trek

Girl Trek is a public health nonprofit for African-American women and girls in the United States. It encourages women and girls to use walking as a practical first step to inspire healthy living.

For more information, visit the [Girl Trek website](http://www.girltrek.org/) (<http://www.girltrek.org/>).

AmeriCorps

AmeriCorps offers several community service programs for people ages 18-24.

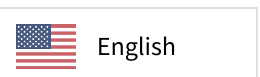

For more information, visit the [AmeriCorps website](https://www.nationalservice.gov/programs/ameri-corps) (<https://www.nationalservice.gov/programs/ameri-corps>).

Wildlands Studies

Wildlands Studies provide field projects where students can join backcountry study teams and help researchers search for answers to important environmental questions.

Visit the [Wildlands Studies website](https://www.wildlandsstudies.com/) (<https://www.wildlandsstudies.com/>) for more information.
