STUDENT ADVISORY GROUP

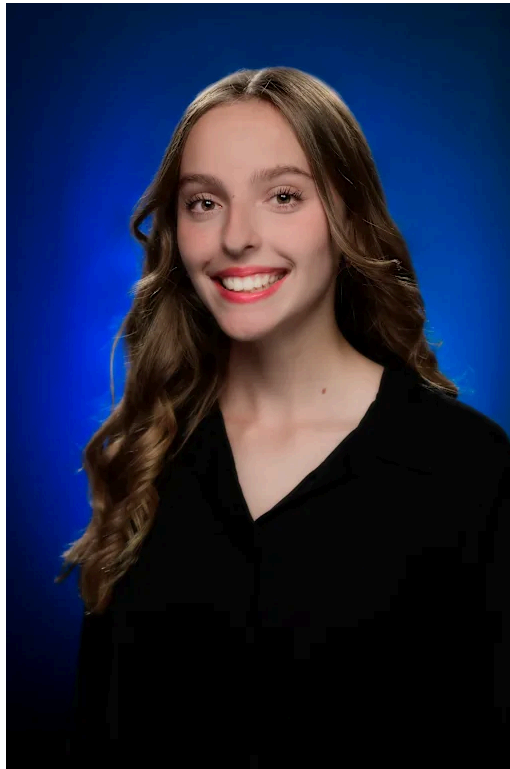

Student voice is an important aspect of any educational institution. When students have the opportunity to guide the Board of Education, it allows for a more inclusive and student-centered decision-making process. It ensures that the needs and perspectives of students are considered when making important decisions that affect their education. This can lead to a more positive and empowering educational experience for all students in Fresno Unified.

Congratulations to our newly elected Student Board Members for the 2024-2025 School Year.

Lykamae Alacar - Senior, Sunnyside High School

Student Advisory Board Representative

Emily Epperly - Senior, Fresno High School

Student Advisory Board Representative

Kasandra Alvarado - Senior, Design Science Middle College High School

Alternate Student Advisory Board Representative
