Annual Notification for Parents/Guardians and Students

Revised 8/1

OFFICE OF

SCHOOL YEAR 2026-2027

Dear Parents and Guardians:

Welcome to a new school year! This handbook is full of important information about Glendale Unified School District's policies, regulations, and procedures as they relate to your student's and your responsibilities in a California public school. Please take the time to review the information contained in this handbook and return all of the mandated forms that are enclosed within.

Your student's school must confirm that every family has received and reviewed this handbook and five forms that must be signed and returned by all families.

- Form 1 "Acknowledgment of Parental Notification Requirement"
- Form 2 "Annual Notification of Uniform Complaint Procedure"
- Form 3 "Custody Law Notification"
- Form 4 "Student Use of Technology Acceptable Use Agreement and Release of District from Liability"
- Form 5 "Information About Parent/Guardian Legal Duties Concerning School Storage"

The Glendale Unified School District is committed to having every classroom staffed with teachers. The District works hard to recruit, hire, and retain the best teacher for every subject. As a recipient of Federal Title I funds, the District is expected to ensure that every school meets applicable State certification and licensure requirements, such requirements for certification obtained through alternative routes to certification, as defined by the *Every Student Succeeds Act*.

In addition, parents of students who attend a Title I school have the right to request a written statement on the professional qualifications of their student's classroom teacher. Parents request information on the professional qualifications of educational assistants who support classroom instruction. If your child attends a Title I school and you would like information regarding the qualifications of your child's teacher, please contact your school principal.

Thank you for your interest and involvement in your child's education. Together, we can ensure every child for success in college, career, and life.

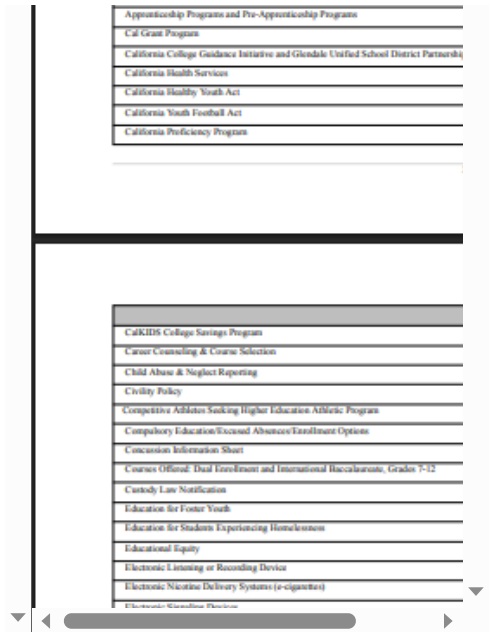

Sincerely,

Darrell Watson, Ph.D.
Superintendent of Schools

TABLE OF CONTENTS
