Inside the newsletter, you'll find:

- **Parent University resources** to support parenting, social-emotional learning, and staying connected to school.
- A **summer camp guide and tips to prevent the "summer slide"** to keep learning strong all summer long.
- Information about **community programs**, including the Refugee Education Center's Teen Connect program.
- Fun **local events and activities**, such as Storytime in the Park and summer camps.
- Details about the **GRPL & KDL Summer Reading Challenge.**
- A quick **transportation survey** to support safer walking, biking, and traffic improvements around schools.

We also encourage all families to begin thinking about the **2026–2027 school year enrollment**, as registration is now open and support is available if needed.

We hope you take a few minutes to explore the newsletter and take advantage of these great summer opportunities. Please reach out if you have any questions or need support getting connected.
