

Community Schools Steering Committee

What is the role of HUSD's Community Schools Steering Committee?

[Skip To Main Content](#)

 English

Site Teams and Steering Committee 23-24 Responsibilities

School Site Teams

- Complete the 6 Step Asset and Needs Assessment which will be used to complete a site Implementation Plan
- Present the findings and recommendations to decision making bodies (SSC/SBDM)
- Complete the annual Community Schools site survey
- Continue being a champion for the framework by helping community members understand the CS work

District Steering Committee

- Understand the role of the Community School site teams
- Complete the district Community Schools Developmental Rubric
- As a committee, complete the annual Community Schools district survey
- Review the sites Implementation Plans and identify district trends
- Continue being a champion for the framework by helping community members understand the work
