

Family Engagement Specialist (FES)

About FES

In the fall of 2018, the Hayward Unified School District allocated district funding to support a Family Engagement, Outreach & Equity Specialist position, also known as the Family Engagement Specialist (FES), to work at least 15 hours at all 30 HUSD schools. Family Engagement Specialist encourages and coordinates parent education and involvement in various District and school programs and other activities to ensure equity of opportunity and access; perform liaison duties among staff, community resources and parents; refer families to local agencies or services as appropriate; utilize and update designated District communication and outreach portals and protocols.
