What is LCAP?

The Local Control Accountability Plan (LCAP) serves as the spending plan that accompanies the District's budget. The LCAP is a three-year plan that describes the goals, actions, services, and expenditures to support positive student outcomes that address state and local priorities.

What is LCFF?

The Local Control Funding Formula (LCFF) replaces revenue limits and eliminates most categorical program funding formulas with the intent of allowing the local stakeholders to have significant discretion to make the decisions that best meets the needs of the students in the LEA.
