

Parent Involvement and Family Engagement- Board Policy 6020

PREAMBLE

The District recognizes that families are their children's first and most influential teachers and that sustained parent involvement and family engagement in the education of their children contribute greatly to student achievement and a positive school environment.

As such, the District promotes family engagement with an intentional focus on students from the global majority who are marginalized, oppressed, and historically underserved, such as Black and Brown students, Latino students, migrant students, English Language Learners, foster youth, LGBTQIA+ students, McKinney-Vento students, students eligible for free and reduced-price meals, students with physical disabilities, and students with neurodiversity (students with an IEP or 504 Plan). The District provides and collaborates with local agencies and community partners to ensure the availability of necessary support services for these students and their families.

The Title I Parent Involvement goal is to plan and conduct programs, activities, and procedures that increase parental involvement with the meaningful consultation of families. This policy states the opportunities for full participation of all families and community members to ensure a meaningful partnership.

PART I. GENERAL EXPECTATIONS

The Hayward Unified School District's Title I Program exists to provide high-quality supplemental services for low-income and English Language Learner (ELL) students that enable them to meet and exceed the academic standards set forth by the state. Those programs, activities, and procedures will be planned and operated with meaningful inclusion of families with participating children.

In carrying out the Title I, Part A, parental involvement requirements, to the extent practicable, the school district and its schools will provide full opportunities for the participation of families of historically marginalized and underserved groups such as Black and Brown students, Latino students, migrant students, English Language Learners, foster youth, LGBTQIA+ students, McKinney-Vento students, students eligible for free and reduced-price meals, students with physical disabilities, and students with neurodiversity (students with an IEP or 504 Plan); including providing information and school reports required under section 1111 of the ESEA in an understandable and uniform format, including alternative formats upon request, and, to the extent practicable, in a language families understand.

The LCAP is required to identify annual goals, specific actions geared toward implementing those goals, and must measure progress for student subgroups across multiple performance indicators based on eight priorities set by the State. **(EC §52060-52077)**

The priorities must be aligned to the District's spending plan. The LCAP must be approved before the annual District budget can be adopted. Once the budget and LCAP are adopted at the local level, the plan will be reviewed by the County Superintendent to ensure alignment of projected spending toward goals and services. The following are the State priorities:

- a) Providing all students access to fully credentialed teachers, instructional materials that align with state standards, and safe facilities;
- b) Implementation of and student access to state academic content and performance standards;
- c) Parent involvement and participation and family engagement;
- d) Improving student achievement and outcomes along multiple measures

The Board of Education is required to establish a District-wide Parent Advisory Committee (PAC) and an English Learner parent advisory committee to provide advice to the Board of Education and the superintendent regarding the LCAP. Districts are not required to establish a new English learner advisory committee if an English language learner parent committee has already been established. In HUSD, the District English Learner Advisory Committee (DELAC) serves as the LCAP English learner parent advisory committee. PACs will include families or legal guardians of low-income students, English language learner students, and foster youth.

Each district is required to include its educational partners (teachers, principals, administrators, other school personnel, local bargaining units, families, and students) in developing the LCAP.

School Site Council (SSC): Each school has a School Site Council (SSC) composed of educational partners elected to the council who meet at least once a month to develop and review the Single Plan for Student Achievement (SPSA). The council shares responsibility for planning programs for students, allocating resources, and reviewing the efficacy of programs and practices.

Single Plan for Student Achievement (SPSA): Education Code Section 64000 requires schools and districts that receive state and federal or other applicable funding to prepare a SPSA. The SPSA is the guiding document for improving the academic performance of all students. The (SSC) is responsible for the development, implementation and monitoring, and revisions of the SPSA at each site. Each year the SSC must recommend the finalized plan to the Board of Education for review and approval.

Current SPSA documents are located on the district website under the link for “Schools.” SSC members are elected annually. All members of the school community are invited to the SSC meetings. **[BP 0420]**

School Accountability Report Card (SARC): Districts are required to annually issue a SARC for each school in the district. Districts are to make a concerted effort to notify families of the purpose of the school accountability report cards and ensure that all families have access to a copy. SARCs are posted on the district website and hard copies are available upon request by February 1 of each year. **(EC §35256, §35258)**

Parent Teacher Association (PTA): Communication and participation are the two primary goals of the PTA. The PTA is highly successful in having “family participation” which serves the students and staff at the school site. Families/Legal Guardians interested in becoming a

member of the PTA should contact their student's school.

The main role of a PTA is to build strong working relationships among parents, teachers and schools, in support of students. This can include recruiting and coordinating volunteers, providing special recognition in awards ceremonies or through other activities, organizing parent education events in partnership with school staff, planning teacher appreciation activities and much more. Each school's PTA will determine goals and structure with a focus on supporting the education of students by fostering a cooperative relationship between parents, teachers, support staff, school administrators, and the surrounding community.

School Site Volunteers: Hayward Unified School District welcomes volunteer community members who wish to contribute their skills, interest, and talents to enrich the educational opportunities to the students of Hayward. Volunteers are welcome as partners in education. Families/Legal guardians and community member's willingness to provide a needed service is deeply valued.

Investing for Future Education (EC §48980(d)): Families are advised of the importance of investing for higher education for their children and of considering appropriate investment options, including, but not limited to, United States savings bonds.

PREÁMBULO

El Distrito reconoce que las familias son los primeros y más influyentes maestros de sus hijos y que la participación sostenida de los padres y el enlace familiar en la educación de sus hijos contribuyen en gran medida a los logros de los estudiantes y a un ambiente escolar positivo.

Como tal, el Distrito promueve el enlace familiar con un enfoque intencional en los estudiantes de la mayoría global que son marginados, oprimidos e históricamente desatendidos, como los estudiantes de color, estudiantes latinos, estudiantes migrantes, estudiantes de inglés, los jóvenes de crianza, estudiantes LGBTQIA+, estudiantes McKinney-Vento, estudiantes elegibles para las comidas gratuitas y de precio reducido, estudiantes con discapacidades físicas y los estudiantes con neurodiversidad (estudiantes con un IEP o Plan 504). El Distrito proporciona y colabora con agencias locales y socios de la comunidad para asegurar la disponibilidad de los servicios de apoyo necesarios para estos estudiantes y sus familias.

El objetivo de la participación de los padres del Título I es planificar y llevar a cabo programas, actividades y procedimientos que aumenten la participación de los padres con la consulta significativa de las familias.
