

Social Emotional Learning Curriculum

Grades PreK-8 provide direct instruction of Social Emotional Learning (SEL) using a research-based, Jeffco-supported curriculum. Every K-8 school has a Social Emotional Learning Specialist (SELS) to support teachers in this work. Below you can find Jeffco-supported, research-based curricula that may be used as the primary SEL curriculum at your child's school.

What Does "Jeffco-Supported" Mean?

Jeffco-supported materials are resources used to teach social-emotional skills, Jeffco Student Services supports these resources with professional learning and coaching.

Jeffco-supported materials are:

- Evidence-based
- Aligned to the Colorado Academic Standards
- Affordable or Free
- Doable & sustainable
- Aligned to district equity work
