(including PK), so that these students can achieve to the same challenging state performance standards expected of all students.

The program is the Department's principal vehicle for addressing the particular needs of Indian children. The Indian Education Formula Grant provides funding to support local/educational agencies in their efforts to reform elementary and secondary school programs that serve Indian students.

The programs funding is based on challenging State content standards & student performance used for all students & is designed to assist Indian students to meet those standards.

Juneau School District Equity Standards

"Every student deserves the opportunity to learn in a world-class educational setting that is respectful and free from bias. The Board champions the dignity and worth of all people and recognizes that identification and removal of systemic barriers are essential to achieving equity in education."—JSD Equity Policy 1265

Juneau School District Strategic Plan 2021-2025

MISSION: In Juneau, we partner to provide each student with meaningful, relevant, and rigorous learning experiences in order to graduate
