community to ensure success for each scholar. Each scholar's learning journey begins, evolves, and lasts a lifetime. Every scholar will graduate with the skills, capacities and confidence needed to succeed in a rapidly changing world.

At Palm Springs Unified School District (PSUSD), every scholar's learning journey begins with a commitment to equity, respect, and academic excellence. Serving the communities of Cathedral City, Desert Hot Springs, Palm Desert, Palm Springs, Rancho Mirage, Sky Valley, and Thousand Palms, our 2,800+ employees are dedicated to providing a transformative education for every student.

PSUSD offers a comprehensive range of learning environments—spanning early childhood centers and 16 elementary campuses to specialized high school pathways, Career Technical Education (CTE), and 1:1 educational technology.

By partnering closely with parents and our local community, we ensure every graduate leaves PSUSD equipped with the skills and confidence to thrive in a rapidly changing world.

Family and Community Partnership

We believe that family and community members are essential partners in a child's education, and that trusting and respectful relationships must be intentionally cultivated.

Our Family and Community Engagement department recognizes that sustained involvement positively impacts student success and academic achievement. To foster this vital connection, the district operates two dedicated Family Engagement Centers. All family and community members are valued and encouraged to act as advocates, leaders, and stakeholders to support their child's academic journey.

Find out about opportunities for you and your family to be involved with PSUSD events, workshops, conferences, and parent forums.

Foundation Funding Priorities

The Foundation for the Palm Springs Unified School District is a vital partner dedicated to bridging funding gaps and supporting high-quality, curriculum-enhancing activities in areas under and unfunded by the government.

Our strategic initiative provides the essential resources to improve student academic preparedness. Beyond distributing classroom micro-grants to teachers, the Foundation actively seeks major donors, sponsors, and venture philanthropists to underwrite specialized curriculum academies and vital programs.
